

Access to Lifelong Learning in Higher Education ALL in HE (ALL IN HIGHER EDUCATION)

Co-ordinator the Inholland University of
Applied Sciences
10/2011 -5/ 2014

<http://allinhe.blogspot.com/>

AIMS

- ALLinHE focuses on the social inclusion for all in European learning and working environments
- ALLinHE links the methods of Validation of Prior Learning to a practical strategy for the social inclusion of the target groups.

Connecting AHOT + ESOK point of views and development work

TARGET GROUPS

- Underrepresented groups and non- traditional learners in higher education (minorities, refugees, elderly people (50+), disabled, etc.)

TASKS UP TILL NOW AND JUST NOW

- The integral quality assurance & evaluation
- 1 st partner meeting
- National Stakeholder group
- Interviewing student councellors in JAMK
- ALL in HE National report

QUESTIONS

- Target groups: number, quality and tendency in HE ?
- Tools and procedures used now with those target groups in HE?
- Developmental needs to realize ALL in HE ?
- Important also to notice?
